24TH SUNDAY IN ORDINARY TIME

Peter approached Jesus and asked him, "Lord, if my brother sins against me, how often must I forgive? As many as seven times?" Jesus answered, "I say to you, not seven times but seventy-seven times." - Mt 18:21-22

On The Way

On the Way: The Human Person & Social Justice

The Church's social doctrine is founded on the truth of the human person. Let's take the first part of that equation: *truth*. It's a simple choice: society will be founded on truth or on power. If on truth, then we must seek and adhere to it constantly. If on power, then we will be ruled ("governed" would be too kind a word) by the most powerful, the most ruthless, the most lawless. The law of the jungle will prevail.

Then the second part: the truth of *the human person*. The human person possesses a nature, dignity, and calling unlike any other creature on earth. He has an intellect capable of knowing the truth and a will capable of choosing the good. The human person is therefore a morally responsible being, possessing certain responsibilities and is endowed, as our founders said, with certain "inalienable rights."

While this truth of the human person is accessible to all people of good will, our Catholic faith defends and deepens it. We know from divine revelation that the human person has a transcendent origin and end. "Social justice can be obtained only in respecting the transcendent dignity of man" (CCC 1929). We are created in God's image and are meant for union with Him. Thus, as "the only creature on earth that God has willed for its own sake" (CCC 1703), the human person is always an end and never to be used as a means.

So, what does this mean for social justice?

First, the human person's transcendent origin and purpose set a limit to the state's authority. No one can be reduced to just the state's possession or instrument. Further, the state is not the author or giver of our dignity and rights. It is, rather, to be their protector and promoter. Every government must acknowledge and defend the truth of the human person. The government that fails in that sows the seeds of its own ruin.

The truth about the human person also makes clear that racism is evil. For it contradicts the truth that every one of us bears God's image and possesses God given dignity. It was on the basis of the truth about the human person –that "all men are created equal" – that Abraham Lincoln and Martin Luther King, Jr. fought against racial injustice.

Finally, and most importantly, the truth and dignity of the human person means the right to life. In terms of numbers (hundreds of thousands annually) and principle (the right to be born is logically prior to all others), abortion remains the most severe violation of the right to life in our nation. "Laws which legitimize the direct killing of innocent human beings through abortion or euthanasia are in complete opposition to the inviolable right to life proper to every individual; they thus deny the equality of everyone before the law" (St. John Paul II). If life in the womb is not protected, we should not expect life elsewhere to be respected either.

Our participation in the public square should always be guided by the truth and dignity of the human person and likewise seek to promote them.

– Fr. Scalia

September 12/13 - Today's Second Collection is for the Holy Land Shrines

This collection is taken up each year at the request of the Holy Father in order to preserve the shrines connected with the life of Jesus as well as to provide pastoral care to the region's Catholic population. Due to the worldwide pandemic, this year's collection was moved from Good Friday to September 12/13. You can find a donation link to this special collection on the Faith Direct Give Now page located on our website at:

September 19/20 - Second Collection for Parish Religious Education Program (PREP)

Next week's second collection is in support of the St. James Parish Religious Education Program, affectionately known as "PREP." Under Sister Regina Rosari's leadership, our PREP program continues to thrive with a team of dedicated catechists who diligently work to prepare our parish children to receive the Sacraments so that they may "know, love, and serve the Lord" more fully in this life. Please be as generous as you can and keep all of our PREP teachers and children in your prayers. Our little ones in particular have been hit hard by the restrictions imposed by COVID-19.

If you have any questions or would like to help in anyway, please reach out to Sister Regina Rosari, IHM, at

Charitable Giving: Did You Know?

On March 27, the President signed into law the Coronavirus Aid, Relief and Economic Security (CARES) Act to help combat the far-reaching impacts of COVID19. The bill provides increased tax incentives for charitable giving for both individuals and corporations, signifying an intent to stimulate philanthropy throughout America. As you look for ways to help those in need, you can consider how the following options may impact your charitable contributions in the 2020 tax year.

Itemizing your charitable deductions? The adjusted gross income (AGI) limit for cash contributions was increased for individual donors. For cash contributions made in 2020, you can now elect to deduct up to 100 percent of your AGI (increased from 60 percent). **Not itemizing?** The CARES Act allows for an additional, "above the line" deduction for charitable gifts made in cash of up to \$300. If you are not itemizing on your 2020 taxes, you can claim this new deduction. For more information on making donations to Saint James, please contact Kathleen Anderson, Director of Development, at kanderson@stjamescatholic.org.

Pack the Snacks!

On Sunday, August 30, our Seventh and Eight grade students and members of the Saint James Social Outreach Committee, gathered in B-Lot to “Pack the Snacks” for the St. Lucy Food Project. Each group of students assembled bags of snacks for the program, which will then distribute them. The students’ hard work resulted in two carloads of snack bags being sent to the St. Lucy Project.
