December Prayer Intention of Pope Francis

Catechists—Let us pray for the catechists, summoned to announce the Word of God: may they be its witnesses, with courage and creativity and in the power of the Holy Spirit.

On The Way

Technology and the Tree: Principles of Discernment

The proper approach to technology is not rejection but discernment. We must always assess whether a given innovation is good for us and, if so, how to use it in healthy way. The standard for judgment is our created and redeemed human nature – our spiritual and physical dimensions, our being created in the image and likeness of God, made His children by Baptism, and intended for eternal union with Him. In light of these truths, some technologies are to be rejected as opposed to the truth of who we are (e.g. contraception) while others require more discernment.

Problem is, the promotion of technology often uses the language of deliverance and salvation that can skew our discernment. There always seems to be the promise that we can do more, overcome limitations, live longer, etc. We ourselves might say about some device or innovation, “I don’t know how I ever *lived* without it!” The “transhumanism” movement imagines the possibility of overcoming our natural limitations and transforming ourselves into some higher form of life through our technology. It’s a manmade immortality, technology as a form of salvation.

Ever since Adam and Eve grasped for the fruit, we’ve been inclined to fashion immortality for ourselves. Technology is just another instance. And like every other dimension of our lives, it requires discernment of what is compatible and helpful to our created nature and our divine calling. Two principles can help guide our discernment.

First, the adage about emotions applies also to technology: *It’s a good servant but a bad master*. Insofar as technology *serves* us, then it is useful and good; once it demands that we change to accommodate it, it becomes dangerous. So, the first question in discernment is whether a given technology is serving me. Am I becoming more authentically human, am I striving more to live the truth of my status as a child of God? Or is the technology leading me away from that?

Another adage, from Fulton Sheen, also helps: *We will either act according to what we believe, or we will believe according to how we act*. This presents two options for human living in general: either we shape our behavior by the truth, or our behavior will shape our way of thinking. So, as long as we use technology with a firm sense of the truth of who we are and what it means to be a human person, then it will serve us well. But when we become forgetful of who we are as persons – forgetful of relationships, of our body/soul unity – then our technology will determine how we think about things. Put another way, we must know our purpose. Trying to use a tool without a clear sense of one’s purpose inevitably means being used by that tool.

Consider how differently an adult and a child use a smart phone. The adult (by which I mean a mature person, just someone 18-years-old or older) will use it (one hopes) as a tool to serve his or her already developed personality and character. The adult will use it according to what he or she knows to be true. The child, whose personality and character are still developing, is more likely to be shaped by the technology in his or her hands. The child is less likely to use it as a tool and more likely to be influenced by it.

Introduce your children to Adoration of the Eucharist by bringing your family to our monthly “Guided Family Hour” with Father John Paul. **The Family Holy Hour is held monthly on Saturdays from 10:00am-11:00am.** There will be no Family Holy Hour in December.

The Holy Hour will include a guided meditation for the whole family. We hope to see you and your family there. The schedule is:

- January 22, 2022
- February 26, 2022
- March 19, 2022

Reminder on Mass and Event Parking

We want to remind parishioners that parking on the residential side of Park Avenue is by permit only, and only then for residents of those houses. If you are attending Mass or other functions at St. James you may park on

- The lot on the corner of Spring Street and Park Avenue
- The lot on the corner of Oak Street and Park Avenue
- The lot on Broad Street, in front of our School
- The lot at 913 Park Avenue, next to the Parish House

Please remember parking on the designated street sides of Park Avenue and North Spring Street is only for a **maximum of two hours.**

Avoid a ticket, park smart.

Behind the Scenes—St. James Operations Update Fall 2021

Thanks to your support, St. James continues to be financially strong. On September 30th, we completed our first quarter of the new fiscal year. Offertory Income totaled \$503,380, which was 9% over our budget. Total Income was \$954,541 – almost exactly on budget. Total Expenses (\$1,702,396) were over budget by 4%, due mainly to some much needed facilities items, including:

- Replacing a coil in one of the heating/cooling units in the Church;
- Replacement of some leaking heating system pipes beneath Heller Hall;
- Repairing the Gym roof to resolve a leak problem that had damaged the Gym floor;
- Repainting the Parish House, including the replacement of some rotted wood;
- Repainting selected School Entrances; and
- Purchasing tables for students to eat lunch, socially distanced, in Heller Hall.

We also have some large building projects underway which are funded by the Legacy of St. James Capital Fund which many of you support. You may have noticed the new fencing around the Parish House and Convent Field. New signs have been installed, as well – they will help “stake out” St. James property before Founders Row, the enormous new development next door, begins to fill up with residents looking for parking and places to walk their dogs.

If you have any questions or comments regarding church operations, please feel free to contact Rich at rblickendorfer@stjamescatholic.org.

Christmas

Next Saturday, December 25th, we will celebrate the Nativity of our Lord. There will be a lot of excitement, gift-giving, joyful noise, good food, and feelings of warmth and peace. Of course, we know that the real joy of the day is none of those things; it is the celebration of the birth of our Lord, Jesus Christ, who entered the world in the most humble of surroundings to free us from sin. The real question of Christmas is how do we keep centered on the fact that we are celebrating the birth of Christ, not just a day of consumerism and greed?

Next Saturday, take time to think about how you will keep the real meaning of Christmas in front of you, and your family, on that day, and in all the days that follow throughout 2022.

- How will we move away from living a "me-centered life" and turn towards a "Christ-centered life?"
- What sacrifices will we have to make?
- What behaviors do we have to change?
- How can we support each other as we move toward this goal?

As you consider these topics, may this Christmas gives you the greatest gift of all—the love and peace of Christ!

IHM Sisters Renew Their Vows

On Wednesday, December 8th, our wonderful Sisters, Servants of the Immaculate Heart of Mary, renewed their vows at the 8:30am Mass celebrating the Feast of the Immaculate Conception of the Blessed Virgin Mary. The Sisters celebrate this Feast as their Community Patronal Feast and traditionally renew their vows on that day each year. They have served at Saint James since 1923 and have educated thousands of students through the years.

We thank the current Sisters for their long hours of hard work and commitment to our students and our Parish community!

Advent Season Gift Card Donations

The number of requests for gift cards has tripled from last year. Part of the reason for this is that Afghanistan refugee families will be helped with this effort as well. The Social Outreach Committee is collecting gift cards in the suggested amounts of \$25 for Walmart, Target, Giant, and Safeway stores. **It is not too late to still help the Committee. The need this year is so much greater.**

The options for contributing to our Social Outreach Gift Card Project are:

- Donate \$25 gift cards
- Send a check so gift cards can be purchased by the Social Outreach Committee, on your behalf.
 - Make checks payable to St. James.
 - On the memo line, **write SOC gift card donation.**

Make checks payable to St. James. On the memo line, *write SOC gift card donation*. Place a card or check in an envelope marked *Social Outreach Gift Card Project*. Put the envelope in the collection basket, hand deliver to the Rectory Office, or mail the envelope to: St. James Catholic Church, 905 Park Avenue, Falls Church VA 22046. Thank you for your generosity in bringing joy to families during this Pandemic period.
