## **On The Way**

### *Catechesis on Creation: Man and Woman I*

Some of humanity's most ancient and vexing (and often humorous) questions are about the relationship between man and woman. Why are there two sexes? Is one greater than the other? Are their differences a blessing or a punishment? Are the differences real or are man and woman interchangeable? These are not esoteric questions, as today we have arrived at the point of questioning whether there is any such thing as a man or a woman.

The first creation account presents the creation of man and woman with great brevity: "God created man in his own image, in the image of God he created him; male and female he created them" (Gen 1:27). The second creation account (Gen 2:7-24) goes into more detail of both the how and the why of the creation of man and woman.

The creation of woman begins with this curious observation from God: "It is not good that the man should be alone." Those words should make us sit up and take notice. The first creation account repeatedly stated, "It was good." But now God sees something *not* good. What's happening here? Of course, it doesn't mean that there is something evil or flawed in God's creation. It indicates, rather, an incompleteness, the insufficiency of man to himself, and that something is still to come in God's creation.

We can apply these words to ourselves: *It is not good that we should be alone.* We are created for relationship and community. The human person attains "completion" or fulfillment not in isolation but only in relationships. We are meant for community, and the fundamental community is what follows in the narrative: man and woman.

Tradition describes the human person in "status viatoris" – in the state of journeying or, better, of becoming. We must grow into what God has created us to be. This makes us unique among all God's creatures. Nobody has ever exhorted a dog to "Be a dog!" We, however, must become what we are. We must strive for the full living out of our human nature. Which helps explain God's next move...

God says, "I will make him a helper fit for [the man]." The word "helper" falls harshly on modern ears – as if woman were created just to be at man's beck and call! Of course, it's no small thing to be a helper to another person, so we shouldn't scorn the word altogether. Further, "help" in this context means more than just worldly assistance. It means to assist the man to become who he is meant to be. It is sometimes translated "helpmate" or "suitable partner" which captures the relationship dimension. Woman is created to keep man from being alone, from being selfish and therefore incomplete.

Woman is to be a "helper *fit for [man]*." She must be his equal and able to assist in everything about him – his physical, emotional, and spiritual life. She is to be the one who can "partner" (to use a trendy phrase) with man in undertaking the work entrusted to him by God. Most importantly, she is to awaken him to his responsibilities toward her, so that he in turn can be a helper fit for her.

*Next week: Man and Woman II*

DIOCESE of ARLINGTON

## GUIDE for the LAY FAITHFUL May 28, 2021

Changes are based upon direction from Bishop Burbidge based upon the recent release of Executive Order 79.

### What To Know

On May 28, Executive Order (EO 79) lifts nearly all previous directives. It changes masks requirements. **Our churches will follow these changes and operate similar to pre-COVID-19.**

**Dispensation** • All the faithful of the Diocese of Arlington are **dispensed from the obligation to attend Mass** on Sundays and holydays of obligation until further notice. **At this time, the dispensation remains in effect. Further announcements regarding this matter will be conveyed in the near future.**

**Schedules** • Bishop Burbidge has requested that all parishes return to pre-COVID schedules for Mass, Adoration, and access to the parish.

**Livestreamed Masses** • At the pastor's discretion, livestreamed Masses may continue for the benefit of the homebound.

**Person-Per-Gathering Limits** • Per EO 79, there are no gathering limitations. Parishioners should expect to see larger crowds as they return to Mass.

**Social Distancing** • Per EO 79, there are no social distancing requirements.

**Disinfecting** • Per EO 79, there are no pandemic-like requirements for disinfecting and cleaning. Parishes should still continue a reasonable and effective cleaning regimen.

### Preparing

**Face Coverings** • Parishes shall follow the guidelines of EO 79 and the CDC's "Interim Recommendations for Fully Vaccinated People":

- Fully vaccinated persons no longer need to wear a mask in any setting.
- Unvaccinated persons are encouraged to wear face coverings per EO 79.
- No one shall inquire into the vaccination status of parishioners.
- No one shall be barred from entering a church or facility for not wearing a face covering.

**Sign-ups** • Because there are no gathering limits, sign-up platforms will be discontinued.

**Hand Hygiene** • Parishes have the *option* of providing hand sanitizer.

### Celebrating

**Liturgical Elements** • The following liturgical elements that were suspended or modified may now be reintroduced:

- Holy water in fonts
- Worship aids
- Singing by full choirs and the faithful
- Collection baskets
- Presentation of the gifts by the lay faithful
- The sign of peace (without physical contact between non-family members)

### Communion

- The Diocese continues to suppress the distribution of the Precious Blood until further notice.
- At the pastor's discretion - deacons, instituted acolytes, and Extraordinary Ministers of Holy Communion may distribute Communion.
- Parishioners should follow the procedures of their parish for the distribution of Communion.
- Each communicant retains the right to decide how to receive, either on the tongue or in the hand.
- It is not permitted to receive Communion in the hand while wearing gloves. If you are wearing gloves and will receive Communion in the hand, please remove your gloves prior to the reception of Communion.

**WHAT**  
Congress is trying to force Americans to pay for abortion.

**HOW**  
The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

**WHAT HAPPENS WITHOUT THESE PROTECTIONS?**  
Billions of taxpayer dollars could be used to pay for abortion.

**TAKE ACTION**  
Sign the petition to Congress at [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com)!

**¿QUÉ?**  
El Congreso está tratando de obligar a los estadounidenses a pagar abortos. Miembros poderosos del Congreso están tratando de obligar a los estadounidenses a pagar los abortos.

**¿CÓMO?**  
La Enmienda Hyde y otras leyes similares han protegido a los contribuyentes del financiamiento de abortos voluntarios durante 45 años. Actualmente, miembros poderosos del Congreso quieren eliminar estas leyes que ambos, demócratas como republicanos, han apoyado durante casi medio siglo.

**¿QUÉ OCURRE SIN ESTAS PROTECCIONES?**  
Se podrían usar miles de millones de dólares de impuestos para pagar abortos.

## Diocese of Arlington Vocation Events This Summer

For those who are interested in learning more about vocations and the religious life, the Diocese of Arlington is offering the following summer programs:

The Quo Vadis camp for young men will run July 11-15, and the FIAT camp for young women will run from July 18-22. Mt. St. Mary's University will host both camps.

Both camps will have a reduced number of campers due to COVID-19 limitations, but that will allow the camps to focus on 11th and 12th graders (current and rising 12th graders).
