On The Way

Technology and the Tree: False Promises

To their sadness and ours, Adam and Eve learned that the devil's promise – “You will be like God” – was both too good to be true...and too true to be good. They *did* become like God, in the sense that they seized His prerogatives. But they *didn't* become like Him in the way they thought, with His authority. That is a fair description of technology's promises. Obviously, our technology is not intrinsically evil, as was eating the forbidden fruit. Still, it makes promises both too good to be true and too true to be good.

Communication. The promise was that we will communicate better. Our technology certainly delivers on this. By phone, text, zooming, etc. we can reach one another practically anywhere and at any time. But these forms of communication are merely approximations and not the real thing. They serve as stopgaps until we can have real human communication, which is always face to face. Communication should lead to communion.

The problem arises when we allow the approximation and stop-gap to replace the reality. The past year has only exacerbated this temptation to prefer the simplicity of devices to the challenge of reality. We've all seen families at restaurants, each member focused on his or her phone. Worse still, people forsake real relationships and spend hours on social media, gaming, etc. Thus this “communication” has also produced isolation.

Freedom. Technology promised greater freedom. We would be able to get away from the office and remain on top of things. The smart phone became a sign of freedom. But, as many of us now experience, our smart phones and now our smart watches serve as chains. We're not free but now *required* to be in contact at all times. We have fewer and fewer spaces that allow us a life without being in contact.

Information. On one hand, our digital technology has delivered the promise of more information. We live in the age of big data, stats, metrics, etc. There is a benefit to this. But information does not mean knowledge and knowledge does not mean wisdom. Technology can only provide information, but it cannot make sense of it. Indeed, the supply of information without a way of interpreting it is dangerous.

On the other hand, as we have learned over the past year, technology's promise of information is false. We don't have access to whatever information we want. Big Tech does not information on its own terms, not ours. It censors and filters as it sees fit, pretending to give us information while simultaneously denying it to us. We have also learned how big Tech's algorithms just send us spiraling down into our own interests, confirming our biases and further dividing us.

Efficiency. The promise was that our new technology would enable us to get more things done more quickly. In many ways, that has come true. At the same time, efficiency has been achieved at the cost of discretion, manners, and courtesy. Because we can do so quickly – and without thinking – we email, post, or tweet observations and comments that we would never do if we had to sit and think about it.

More importantly, this promise has changed what we value. It has placed efficiency over other, more important principles. The most important things in our life are not efficient. Relationships, prayer, worship – those all take time and patience.

Stewardship—The Gift of Time, Talent and Treasure

Faith Direct

By now you should have received a postcard in the mail regarding Faith Direct. At the start of the pandemic, a large number of parishioners switched from envelopes to online giving via Faith Direct. There is no doubt that it contributed significantly to the financial health of our parish during the shut-down.

If you are interested in enrolling in Faith Direct, please visit www.faith.direct/VA50 or text “Enroll” to 703-584-7023

to get started. You can also scan the QR code, to the right, with your smartphone camera to begin the enrollment process. For those of you already enrolled, *Thank you!* You can review your donations and/or make changes by logging into your account, emailing info@faithdirect.net or calling customer service at 866-507-8757.

Please Note: For every first offertory gift from a new recurring donor that is added **between November 1 and December 31, 2021**, Faith Direct will match that first gift, up to \$50, with a maximum match of \$1,000 for St. James Parish. To be eligible for the matching gift, more than one installment must be set-up and the first recurring gift must be transacted by December 31, 2021. Questions? Call Kathleen Anderson at 703-532-8815 Ext. 223.

Retired Religious Fund

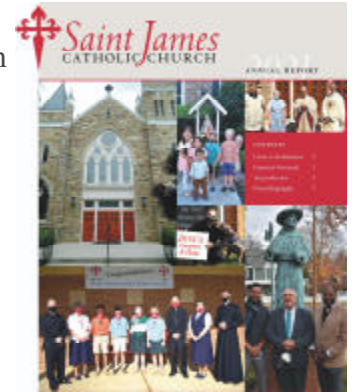

If you missed our second collection last weekend for the Retired Religious Fund, you can still donate. St. James takes this collection up annually for our retired priests and religious. Sadly, changing demographics, rising health care costs, and lack of funding are making it increasingly difficult for religious orders to care for those who have given their lives to God.

Read the article in the *Arlington Catholic Herald* on this important second collection, https://www.catholicherald.com/News/Local_News/Collection_for_retired_religious_Nov_13-14.

To donate via Faith Direct, go to <https://membership.faithdirect.net/givenow/VA50/1493>.

Follow-Up to This Year’s Annual Report

Thank you to all who filled out the Stewardship Envelopes located in this year’s Annual Report. You can still submit them either by mail or in the Usher’s baskets. The envelope allows you to: (1) make an offertory pledge for 2022, (2) update your contact information, (3) sign up for our Pastor’s emails, and (4) check off areas of interest in terms of parish groups and volunteer opportunities.

If you did NOT receive an Annual Report with an envelope in your mailbox it means that you are either NOT registered with the parish or we do NOT have your correct address. You can call the office to verify your registration or update your contact information. You can also email address changes to rectory@stjamescatholic.org.

We have no preference regarding how our parishioners choose to give. Whether it’s cash, check, Faith Direct, or via a retirement or stock distribution, the choice is a personal one. Our role is to provide support if needed. To that end, contact Kathleen Anderson at kanderson@stjamescatholic.org if you have questions. Thank you in advance for taking the time to complete these envelopes. We are so grateful for your generosity and support!

Social Outreach

Social Outreach Advent Season Gift Card Donations

Once again, Catholic Charities and community homeless shelters have requested gift cards as the easiest way to assist families during the Advent season. This will apply to the Afghanistan refugee families. “In addition, Adopt A Family” option will be available for Christmas.

Starting in November, the Social Outreach Committee will collect gift cards in the suggested amounts of \$25 for **Walmart, Target, Giant, and Safeway stores**. The options for contributing to our Social Outreach Gift Card Project are:

- Donate \$25 gift cards
- Send a check so gift cards can be purchased by the Social Outreach Committee, on your behalf.
 - Make checks payable to St. James.
 - On the memo line, **write SOC gift card donation.**

Please place a card or check in an envelope marked **Social Outreach Gift Card Project**. Place the envelope in the collection basket, hand deliver to the Rectory Office, or mail the envelope to: St. James Catholic Church, 905 Park Avenue, Falls Church VA 22046.

Thank you for your generosity in bringing joy to families during this difficult Pandemic period.

Adopt-A-Family Christmas Program

The Social Outreach Committee is once again sponsoring this program. Parishioners can provide much needed holiday cheer by sponsoring a specified family and ensuring they have gifts and a holiday meal for Christmas. Many of these families were previously homeless and need to conserve their income for rent, food and other necessities. If you would like to participate, please call Mary Ann Parker at 702-241-9128 or 202-262-8426.

Drop off the calendars in the food collection baskets at the Church entrances or box in the rectory office **before Thanksgiving**. Contact Angela Dinkle, jasamber3@cox.com, with any questions.
